## 2024-25 Dependent Verification Worksheet Federal Student Aid Programs

Your 2024-25 Free Application for Federal Student Aid (FAFSA) was selected for a process called *Verification* by the U.S Department of Education. The law states that colleges must verify the information you report on the FAFSA. To verify that you provided correct information, Pomeroy College of Nursing will compare your FAFSA with the information on this worksheet and with any other required documents. If there are discrepancies, your FAFSA information may need corrections and could affect the student federal eligibility. The financial aid review process will be placed on hold until the verification is completed.
