CROUSE FACTS 2025

CROUSE HEALTH

crouse.org

WOMEN'S HEALTH & WELLNESS

Maternity/Obstetrical

- High-Risk OB: our team of highly regarded OB/GYN physicians, nurses, midwives and doulas delivers more babies than any other hospital in CNY (3,800 in 2024)
- Cares for more than 900 critically ill and premature infants annually in our Baker Regional NICU
- NYS-designated Regional Perinatal Center, covering 14 counties from Massena to Binghamton

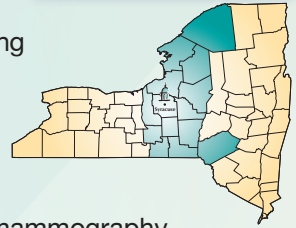

crouse.org/OB

Breast Health

- First in region to offer 3D mammography
- Designated an ACR® Comprehensive Breast Imaging Center by the American College of Radiology
- Offering the latest imaging technology, including contrast-enhanced mammography for greater precision and detection

crouse.org/breasthealth

CARDIOLOGY

- Exceeding national goal for door-to-cardiac intervention times
- First in Syracuse to implant the Watchman device in patients with AFib
- Home to region's only pediatric cardiac catheterization program

crouse.org/heartcare

In an emergency call 911.
Then say,
"Take Me
to Crouse."

A photograph showing emergency medical services in progress. A patient is lying on a stretcher, being moved by medical staff in a hospital setting.

CROUSE
Emergency Services

Exclusive healthcare partner
of Syracuse Athletics
